

ENDANGERED SPECIES

ARTICLE

We are going to write an article about an endangered species.

You can find some ideas here:

<http://www.allaboutwildlife.com/uncategorized/endangered-species-list-2019/9687>

<https://www.britannica.com/list/10-of-the-most-famous-endangered-species>

<https://www.iucnredlist.org/>

(We already know about the “Ferreret”, try something more original!)

Include the following information: And reflect about it:

- Common Name, scientific name
- Type, size and weight
- Average life span
- Natural Environment and diet
- Main Threaten
- Other interesting facts
- Why did you choose this animal?
- What should be done to protect it?
- Why is it important for the world?
- Where can we find more information?
(web links)

Write about 300 words in total.

Besides the 300 words, include the bibliography you used!

REMEMBER ADDING PICTURES!!

Your mark will depend on:

- All the items being covered (50%)
- Accuracy of English (30%).
- Presentation (10%)
- Originality (10%)

Hand it out the 23rd of May 2019 .

Don't be late! Every week that you are late, will mean 1 point less of the mark.
